Motril is the largest town on the Costa tropical with 50,000 inhabitants. Is it a commercial town that benefits from the tropical fruit and flower producers in the area. The town of Motril is located just off the main coast road between Almeria and Malaga where the N325 turns inland for Granada. Most tourists by pass the town but is a good place to go shopping for necessities perhaps in one of the out of town hyper-markets. Whilst in the town take a look at one of the interesting sights.

GIBRALTAR

Day 4: Friday, October 14, 2022

Gibraltar, located near the southernmost tip of the Iberian Peninsula, overlooks the Strait of Gibraltar, known to ancient mariners as the Pillars of Hercules. Historically, Gibraltar has been an important base for the British Royal Navy. It is most famous for the geological formation, the Rock of Gibraltar and its tribe of Barbary Apes. Despite long sieges throughout its history, it seemed nothing could destroy the Rock or its people, leading to the phrase "solid as the Rock of Gibraltar."

AT SEA

Day 5: Saturday, October 15, 2022

Discover gorgeous Santa Cruz de La Palma with its colorful buildings, 18th Century mansions, and wrought-iron balconies draped with lush bougainvillea, dramatic volcanic mountains, and fertile green valleys set amid a pristine turquoise sea. Explore the star-shaped 17th Century Castillo de Santa Catarina fortress. Stroll along O'Daly Street browsing through lovely boutiques, antique and artisan shops. Enjoy a glass of fine Canary Island wine in a jewel-like setting.

ARRECIFE (LANZAROTE), CANARY ISLANDS

Visit Timanfaya National Park and marvel at the twisted lava formations and caves. Explore El Charco de San Gines, a salt-water lagoon filled with colorful fishing boats, surrounded by the white and blue homes of the fishermen. Meander along Calle Leon y Castilla for exceptional souvenirs and shopping. Look for hand embroidered linens, African carvings, the local Guanches pottery, duty-free perfume and liquor. It is thought that John Lennon penned the lyrics of “Strawberry Fields Forever” while in Almeria. The southeastern Spanish city is also the location where the award-winning, “Lawrence of Arabia,” was filmed. However, the city’s greatest claim to fame is The Alcazaba, a massive fort that dominates the landscape and offers amazing views. The cathedral and the Almeria Museum also compete for your attention. Whether you travel east to the quiet Cabo de Gata-Nijar coast or to the west toward the Roquetas de Mar, Almeria delivers an unforgettable experience.

VALENCIA, SPAIN

Day 12: Saturday, October 22, 2022

Valencia was established by the Greeks and later occupied by the Carthaginians, Romans, Visigoths and Arabs. A 15th century artistic movement here gave the world spectacular paintings, sculptures, and jewels. Today a “City of Arts and Sciences,” Valencia offers visitors remarkable samples of modern architecture, alongside such notable classics as the 13th century Cathedral and Chapel of the Holy Chalice. Built on the site of a mosque which was originally a Roman temple the Chapel contains the chalice which legend says was used by Christ at the Last Supper. For a more historic view, take in the Quart Towers, a former gate of the medieval wall, built in 1444; and Serranos Towers, a former prison surrounded by a moat and built around 1391.
