## OSLO, NORWAY – Day 1: Saturday, July 6, 2024

Overlooking a gorgeous fjord, Norway's capital and largest city simply radiates with natural beauty and sophistication. Oslo's rich seafaring history is on display at the Viking Ships Museum, rivaled only by the Kon-Tiki Museum, which holds the balsawood raft that Norwegian adventurer Thor Heyerdahl used to sail from Peru to Polynesia. History aside, Oslo exudes a love of the outdoors in city parks like Vigeland, which is adorned with over 200 life-size sculptures by artist Gustav Vigeland. Much of Oslo is heavily forested with pines, making it one of Europe's greenest cities.

## SKAGEN, DENMARK - Day 2: Sunday, July 7, 2024

A centuries-old fishing village, Skagen is perched along the windswept sand dunes at the northernmost point of Denmark, where the North Sea and the Baltic merge in a frenzy of crashing currents. The town has long been depicted by painters because of its spectacular scenery, charming communities and the remarkable quality of its light, inspiring a group of artists known as the Skagen Painters. See their work at the Skagen Museum, and then learn the science behind the region's natural wonders at the nature center, housed in a striking building designed by architect Jørn Utzon of Sydney Opera House fame.

## KRISTIANSAND, NORWAY- Day 3: Monday, July 8, 2024

Founded in 1641 near the southern tip of Norway, Kristiansand once claimed the world's largest fleet of sailing ships. Today the proud city exudes an energy that peaks in summer, when your ship calls. The Posebyen old quarter boasts a collection of historic wooden houses surrounded by shops and restaurants. Museums abound and include the Agder Museum of Natural History and Botanical Garden, which opened in 1828. Kristiansand Zoo, said to be Norway's most visited attraction, covers 150 acres of Nordic terrain where animals like red pandas, moose and Bactrian camels roam in wide-open spaces.

## HAUGESUND, NORWAY - Day 4: Tuesday, July 9, 2024

Located in the southwest of Norway where the fjords flow out into the North Sea, Haugesund is surrounded by the blue ice Folgefonna glacier in the north and the impressive mountain formation of Preikestolen in the south. Learn why this charming town is known as the Homeland of the Viking Kings at Avaldsnes' Viking settlement, where you can see a reconstructed Viking farm and learn how the Vikings lived. Discover majestic fjords, cascading waterfalls, stunning glaciers, imposing mountains, and idyllic islands and lighthouses.

## ALESUND, NORWAY - Day 5: Wednesday, July 10, 2024

In 1904 much of Ålesund was destroyed by fire, but the town was quickly rebuilt in the period's popular Art Nouveau style. Soaring turrets, spires and beautiful ornamentation adorn the buildings throughout Ålesund, giving it a distinctive flair and earning the town a revered architectural reputation. An evening departure allows you plenty of time to explore its many attractions, such as the spectacular Art Nouveau Centre museum, scenic Town Park, and Atlantic Sea Park, one of Europe's largest aquariums. For a look at modern Norwegian woodworking, visit the impressive Gallery Cylindra. Many of Ålesund's squares feature sculptures commemorating significant events, including the town's rich fishing history and Norway's contribution to World War II.

**KRISTIANSUND, NORWAY - Day 6: Thursday, July 11, 2024**

Beautifully situated on four main islands, Kristiansund is an inviting city surrounded by astonishing natural beauty. Its most famous attraction is the Atlantic Road, reputed to offer the world's best road trip. The route winds its way across islands and over bridges with magnificent views of the ocean and coastline. Kristiansund also houses the oldest opera in Norway, and the city boasts a diverse and colorful array of architectural styles both classic and modern.

**TRONDHEIM, NORWAY - Day 7: Friday, July 12, 2024**

Over a thousand years old, Trondheim is one of the oldest of Norway's major cities. Visit the magnificent Nidaros Cathedral, the largest medieval building in Scandinavia, and Stiftsgarden Palace, the royal residence and one of the largest wooden buildings in Northern Europe. Enjoy stunning views of Trondheim Fjord from the Ringve Museum, home to a collection of more than 2,000 musical instruments.

**NORDFJORDEID, NORWAY - Day 8: Saturday, July 13, 2024**

Situated between one of the largest glaciers in Europe and the rugged Stad Peninsula, Nordfjordeid is your jumping off point to explore one of the most beautiful places in the world. The UNESCO-listed Geirangerfjord awaits you to the northeast, while icy glaciers flow into spectacular valleys to the southeast – you won't have a moment to put down your camera. Something as simple as visiting a deer farm takes on a whole new meaning when you are surrounded by towering mountain ranges, and taking a leisurely hike will be the most memorable experience of your life when you are embraced by sheer rocky cliffs over which roaring waterfalls cascade.

**KIRKWALL (OAKNEY ISLANDS), UK – Day 9: Sunday, July 14, 2024**

This starkly beautiful island holds many ancient treasures like the enigmatic Standing Stones of Stenness and the 5,000-year-old village of Skara Brae, amazingly discovered with furniture and indoor drains preserved. Visit the imposing trio of St. Magnus Cathedral, the nearby ruins of the Earl's Palace, and the earlier Bishop's Palace.

**CRUISING THE NORTH SEA – Day 10: Monday, July 15, 2024**

**LONDON (SOUTHAMPTON), UK – Day 11: Tuesday, July 16, 2024**

Take a trip up to London and get a bird's eye view of the city from the London Eye. See sights like Parliament, Westminster Abbey and Piccadilly. Stroll along Lower Regent Street or visit the British Museum.
