# WILD MALAYSIA

The Voyage of a Lifetime on board The Eastern & Oriental Express,  
The Moving Majesty of Southeast Asia

## 4 Days/3 nights

**Singapore - Gemas - Taman Negara National Park - Kuala Lumpur -  
West-coast Line - Penang - Georgetown - Butterworth - Johor - Singapore**

Welcome back to the Eastern & Oriental Express, our unique luxury train in Malaysia.  
This is slow travel at its best — come onboard and book your unforgettable train journey of glamour.

### DAY ONE

#### **SINGAPORE – GEMAS**

Board the striking green and gold carriages of the Eastern & Oriental Express at Woodlands Station, Singapore. Settle into your air-conditioned cabin, a sanctuary of cherrywood panelling, Thai silks and Malaysian embroidery. As the train travels through the wild, green landscapes of Malaysia, it sets the scene for your immersion in nature. Weave through tangled jungle, rubber and palm plantations, soaking up the vistas as your steward serves an exquisite afternoon tea in your cabin. Soon, evening falls and it's time to dress for dinner in the Restaurant Car. We invite you to join the Train Manager and your fellow travellers in the Piano Bar for a welcome cocktail. Afterwards, sumptuous Asian fusion cuisine in the Restaurant Car, followed by engaging entertainment – such as Malaysian jazz – on board.

## DAY TWO

### **TAMAN NEGARA - KUALA LUMPUR**

This morning, enjoy your breakfast and admire the views of the Jungle Railway as the train courses through some of the wildest parts of Malaysia. After lunch, you arrive at Merapoh station and alight for some extraordinary experiences in Taman Negara National Park—formed 130 million years ago, it's one of the oldest tropical rainforests in the world.

The dense jungle, wide rivers and lush mountains are home to wildlife ranging from water buffalo to macaques, tapirs, and hornbills to the Malayan tiger—a true explorer's paradise. From here, choose among a wide variety of excursions: venture into the forest to explore the habitat of the critically endangered Malayan tiger (sightings not expected) and meet local activists striving to safeguard its future. Or, join a nature photographer and conservationist for a wild and wonderful immersion, hearing the chant of gibbons as you learn to focus in on the jungle's beguiling details. Alternatively, discover the otherworldly allure of the magnificent caves of the region, gliding from one to another by e-bicycle. Or, finally, enjoy a sublime wellness experience, including sunrise yoga, forest bathing and sound meditation.

Return to the train in time for lunch, then enjoy the rest of the afternoon on board before dinner.

## DAY THREE

### **WEST-COAST LINE – PENANG**

Enjoy breakfast on board before alighting for the crossing to Penang Island. Here, we've created a choice of excursions that make the most of Malaysia's cultural melting pot. Art lovers can explore George Town Old Quarter on the backseat of a Vespa with a guide, discovering its vibrant architecture and cultural influences before visiting some brilliant local artists in their studios. Food aficionados can embark on a discovery of Peranakan cooking, purchasing specialities from spice and grocery stores before mastering delicious local dishes in a cookery class. Or, for those who prefer to explore independently, we present you with a tri-shaw, a driver and a map, so that you can wind through Georgetown's enchanting streets and visit its attractions on at whim.

Rejoin the train at Butterworth for lunch and a leisurely afternoon on board—the perfect time to visit Dior Spa. Later, continue relaxing on the train or take the opportunity to stroll through the Malaysian city of Ipoh, a former tin capital and gateway to the Cameron Highlands, where old-world charm meets contemporary street art.

Return to the train for a convivial final evening on board with sublime cuisine and fabulous entertainment.

## DAY FOUR

### **JOHOR – SINGAPORE**

Linger over breakfast in your cabin as you travel through Johor, the southernmost state of Malaysia, known for its beaches and rainforest. Soon afterwards, the train crosses the strait to Singapore, where you disembark with your magical memories.
